

Harvard Fed Challenge (2025)

I represented Harvard in the Federal Reserve's [College Fed Challenge](#), a competition where college teams deliver monetary policy recommendations and answer Fed economists' technical questions. We placed second at Nationals after winning our regional and Boston rounds!

Team Canada Debate (2023 - 2024)

Competing for Canada at the World Schools Debating Championships had been a dream of mine since I began debate in middle school. So despite how corny this sounds, making [Team Canada](#) in Grade 12 was a dream come true. After training for a full school year, I placed third individual speaker at WSDC 2024 in Serbia. Some of my speeches can be found [here](#) and [here](#).

Team Canada Public Speaking (2023 - 2024)

I competed in four events at the 2024 World Individual Debating and Public Speaking Championship (WIDSPC) in Australia: persuasive speaking, extemporaneous speaking, interpretive reading and parliamentary debating. I made three out of the four finals, [won parliamentary debating](#), and came fifth place overall speaker. My parliamentary debating grand finals speech can be found [here](#).
